Christmas Party:

A few insights for future reference

- 40l of mulled wine (Glühwein) should be enough. We have some leftover.
- Less Softdrinks
- Less crisps

We do not invoke the Pado deal since the difference is only a few Euros. We decide to sell/save the leftover Glühwein.

Urs prepared the money for the people who bought stuff for the party.

IMS weekend:

Urs prepared a form for a binding registration for around 40€

TOP 4 Prüfungsausschuss

Examination board: Marc is the new contact person for the students. Marc writes email to inform the students.

We postpone this topic until Marc writes the mail.

Urs officially closes the session.

Topics to keep in mind:

- Job fair: Organize to integrate some cl-companies to the job fair of computer science next semester.
