

Minutes FSCL Meeting 2023/04/12

Attendees: Fabian, Jule, Marc, Max, Shawon, Sven, Urban, Urs, Yixuan

Minutes: Jule

Chairperson: Urs

Urs officially opens the session.

TOP 1 Freshmen

Pub crawl: Marc and VB organize it. Pub quiz: In April, enter questions into google doc.

Ideas for acquiring new students:

- Convince people at our next event.
- Send email that invites students to join our SR sessions.
- Let's keep the door of the SR room open.
- We could sell some drinks.
- Make another slot (not during lunchbreak) where students just can come by and talk to us.
- Do team events, maybe also in combination with other SR groups.
- Advertise what we offer: Drinks, Games, ...

Urs | Writes email to students inviting them to "join" the SRs.

All | Whenever you're in the SR room: Leave the door open.

TOP 2 Answering mails

Email "Beteiligung am 10-jährigen Jubiläum von stuvus":

- Celebrations of stuvus jubilee: 13.07. – 16.07.
- They are looking for some help

Max | Replies that there might be some of us to help there.

Emails from ISP:

- Semester Opening party on 04.05.2023
- At least 1-2 of us should be there and present the FG => let ISP know until 24.4 whom of us will do so
- We should forward the invitation to the IMS-students
- Topic of finding theses: It's not something we want to take a look at on faculty level. But we should think about talking e.g. proposal formalities in the STUKO. We could also ask the professors to include some information in their lectures on how to work on a master thesis with them.

TOP 3 Meeting slot

We need a new meeting slot for our SR meeting.

Max | Creates doodle with possible meeting slots.

TOP 4 Buying Stuff / Abrechnung

Kitchen stuff: Only want to order the sandwich maker. **Sven** informs stuvus that we want to order the sandwich maker.

Others: cloth bags, stickers

IMS-weekend: Wait for the Nebenkostenabrechnung. **Marc** does the Abrechnung for the IMS-weekend.

Safe: **Marc** creates an Excel Sheet for the bookkeeping. **Marc + Urs** do the Abrechnung for 2022. **Urs** changes PIN of safe.

Marc did the Abrechnung but we don't have an answer yet. So we're still waiting for this.

TOP 5 Party in the pool

There have been complaints of parties in the IMS computer pool. How can we prevent this?

Ideas:

- Let's keep the door closed. By doing so other students will not be able to get inside.
But: It might be harder for IMS-people to get in there as well.
- Close the door at some certain time, e.g. 6pm.

We are in favor of trying the following things: Hang up signs covering the following content:

No partying. Close the door after 6pm. Only people related to the institute are allowed.

Before actually creating and printing those signs we want to first inform the institute and ask about their opinion on this.

Marc | Writes email to Stefanie.

TOP 6 (Team) Events

Events: Maybe picknick / video games / opera / theatre.

The Pubcrawl is now planned on 04.05.2023.

The international potluck is now planned on 06.05.2023. We should think of organizing hot plates to keep the food warm.

Urs | Writes to VB and Sofia about organizing the IMS-pubquiz.

Urs officially closes the session.
