## TOP 5 Party in the Pool

There were some complains about parties in the computer pool. We came up with a few ideas (Keeping the door closed after 6pm and hanging up posters with "No partying. Close the door after 6pm. Only people related to the institute are allowed."). **Marc** writes an email to Stefanie with the ideas.

Stefanie replied to the mail. She likes the poster idea. We want to create a poster for that.

*Urs officially closes the session.*
