No new problems have reached us. Everything seems to be fine.

TOP 2 Answering mails

Email from ISP:

- Welcome event for students of English master study programs of faculty 5 on 4th May (starting at 6pm)
- One of us should be there and present who we are and what we do.

Urs Prepares slides for the presentation and responds to email.

Yixuan Presents the FG at the event.

[We shouldn't forget to take care of the Sperrmüll.]

TOP 3 Events

Pub crawl planned on 4th May, Pub quiz on 12th May, International potluck on 26th May. **Urban + Urs** do stuvus application for the pub quiz (40+10). Need to create google doc for International potluck. **Fabian** asks stuvus if it is possible to get a hot plate. **Urs** asks in FG-Vernetzungs-Chat about food containers. **Max** creates poster for international potluck.

We definitely should decorate the door of the FG-room. Let's keep care of this in the upcoming weeks.

Pub quiz: Urban did the stuvus application. Urs, VB, Sofia and Fabian are already creating questions in a google document. We haven't decided on the prize yet: It could be a book with facts, food / drinks / snacks, ... In case we decide for a theme (e.g. Irish) we could make sure that the prize matches the theme. We need to keep in mind that buying the prize will be more "difficult" than just buying snacks. Let's send an extra reminder mail next week.

Potluck: We need to do a room reservation.

Max Sends reminder for the pub crawl, including also reminder for upcoming events.

All If you have ideas for the prize of the pub quiz: Write them into the Chat.

Urban Sends email to Raumreservierung asking to reserve the seminar rooms.

TOP 4 Buying Stuff / Abrechnung

Kitchen stuff: We want to buy a waffle maker. **Marc** checks if the stuvus application for the waffle maker is still valid.

IMS-weekend: **Marc** does the Abrechnung for the IMS-weekend.

We want to buy big plant. **Opu** researches for price and **Urs** helps him to do stuvus application.

As Marc and Opu aren't here today we postpone this topic.

TOP 5 Party in the pool

Marc creates a draft for the poster.

Marc started creating the poster. Let's see how it looks like in the upcoming weeks.

TOP 6 Email Spam

Monthly there's a mail about the HIWI working hours. **Urs** writes to Edgar (and secretaries) asking if an extra mailing list for the HIWIs would be feasible.

Urs wrote the email but we didn't get an answer yet.

TOP 7 ALUMNI

Idea: Create an ALUMNI for the IMS. Ideas: mailing list, website. **Sven** drafts an Email.

As Sven isn't here today we postpone this topic.

Urs officially closes the session.
