

Minutes FSCL Meeting 2023/06/28

Attendees: Jule, Marc, Max, Patrick, Shawon, Urban, Urs, Yixuan

Minutes: Jule

Chairperson: Urs

Urs officially opens the session.

TOP 1 Freshmen

Posters / stickers in FSCL room. Math tutor needs key.

No new problems have reached us. Everything seems to be fine.

TOP 2 Answering mails

Urs calls the person to dispose the parts of the ping pong table. Urs sends email about students for committees.

The metal scrap of the table tennis tables is still outside. Urs will contact the person as soon as he has the time for it.

Email “Reset your password”: We got an email that someone tried to reset the password for our Instagram account. As far as we know, none of us did so. Until further notice we ignore this email.

Email “Fwd: Abgabe entbehrllicher Gegenstände uniintern, Monitore, PCs, Mäuse, Tastaturen, PCs” was meant for FIUS and thus we ignore this email.

There was an email from Stefanie about improving the study programs sent to several of us. The idea is to include student(s) with a linguistics background as well as student(s) from a computer science background (maybe an international student) into the designing process.

TOP 3 Events

Tour de FGen in Vaihingen on 27.06.2023: **Urban**, **Urs** and **Jule** buy drinks. Faculty 5 summer party on 03.07.2023. We need to do some shifts. **Max** sends invitation email. IMS summer party on 07.07.2023. **Urs** checks if the date works for the institute.

Tour de FGen: It was a success. Next time we should probably buy more beer though. Urs received the money back that he laid out. We should do a Pfandrün.

Fac5 party: The invitation email was sent and the information was also spread via Discord. We still need volunteers to do some shifts.

IMS summer party:

- The invitation was sent via Discord. We still should send an email to all IMS people (students + staff). Let’s include in the email that we would be happy if they contribute to this party by e.g. bringing food.
- As this party also includes the staff we’re not able to apply for financial support from stuvus. Let’s hope that there will be donations.
- We do have several grills. But maybe we should ask other FGen for another grill. Urs sent the grill application.

- To keep the food and drinks cold it might be good to have a large fridge. This might be difficult to organize. Our idea is to use larger buckets and fill them with ice cubes. Alternatively we could use cooler bags.
- On Friday we need to set up the pavilion, beer benches and beer tables. Those should be already at the IMS and thus we don't need to organize them extra. For decorations Urs will bring some balloons. The plan is to use cutlery/... from the kitchens of the institute.
- Things we need to buy: drinks, snacks, ice cubes, (evtl. coal)
- For the entertainment we have music. Until now there's nothing else planned.

???	Volunteer to do shifts for the Fac5 party.
Urs	Sends invitation email for IMS-summer-party
Marc	Asks Fabian if he can organize another grill.
Max	Brings buckets (for cooling drinks/food) to IMS summer party next Friday.
Urs	Brings balloons and cooler bag to IMS summer party next Friday.

TOP 4 Buying Stuff / Abrechnung

Kitchen stuff: We want to buy a waffle maker. **Marc** checks if the stuvus application for the waffle maker is still valid.

IMS-weekend: The Abrechnung got accepted. We are waiting for the money.

We want to buy big plant. **Someone** needs to go to a Baumarkt and buy some soil and a pot for the plant.

There's nothing new on the open topics.

We want to buy international power plugs because many IMS students are internationals, have different power plugs and are not able to charge their devices. The idea is to buy e.g. 2 of them (with a cost of ca. 20€ per power plug) and lend them to students. In general we are in favor of this idea.

Urs/Marc	Create a stuvus account for Patrick.
Patrick	Maybe does the stuvus application for the international power plugs.

TOP 5 Party in the pool

Marc created a draft for the poster.

The poster is printed and already up in computer pool. Let's hope this prevents people from partying in there.'

We close this topic.

TOP 6 Room things

We want to put things of the SR room to some storage space.

The guitar and the grill are in the cabinets in one Besprechungsraum of the IMS.

We close this topic.

TOP 7 Email Spam

Monthly there's a mail about the HIWI working hours. Urs wrote to Edgar about this issue. We're waiting for a response.

We postpone this topic.

TOP 8 ALUMNI

Idea: Create an ALUMNI for the IMS. Ideas: mailing list, website. **Sven** drafts an Email.

We postpone this topic.

TOP 9 Arbeitsgruppe examination regulation

Fabian, Urs and Max are interested in helping.

We postpone this topic.

TOP 10 Gremienwahlen

Marc and Fabian will be on the election list of the faculty council.

We postpone this topic.

TOP 11 STUKO money

Let's use the "additional" money to buy two new laptops. As soon as the money issue is figured out Marc forwards our idea.

We postpone this topic.

Urs officially closes the session.
